INFORMED SPORT

Informed Sport is a quality assurance program for sports nutrition products, suppliers to the sports nutrition industry, and supplement manufacturing facilities. The program certifies that all nutritional supplements and/or ingredients that bear the Informed Sport logo have been tested for banned substances by the world class sports anti-doping lab, LGC. <http://www.informed-sport.com/>

Informed Sport:

- Quality assurance audit conducted on the manufacturing facility
- All raw materials are tested for traces of over 200 banned substances
- 4 blind sample tests on products are also conducted

HASTA

Can be conducted for a fee on any sport food product or supplement. Testing facilities are available within Australia.

HASTA (Human and Supplement Testing Australia) is the Australian sports supplement drug testing specialist, a division of Racing Analytical Services Limited (RASL). RASL is Australia's largest independent sports drug testing laboratory.

HASTA tests commercial products for WADA banned substances and has a certification scheme. <https://hasta.org.au/>

Certifying a product involves not just testing, but verification of the manufacturing quality controls that are in place. "HASTA Certification" of a commercial product means that every batch has been tested for over 200 WADA prohibited substances.
